

SECTION 47 (6) OF THE PLANNING ACT 2008

SOUTH HUMBER BANK ENERGY CENTRE PROJECT

NOTICE PUBLICISING THE STATEMENT OF COMMUNITY CONSULTATION

Notice is hereby given that EP Waste Management Limited (the 'Applicant') proposes to apply to the Secretary of State for Business, Energy and Industrial Strategy for development consent under the Planning Act 2008 (the 'PA 2008') to authorise the construction, operation and maintenance of a proposed energy from waste facility ('EfW') with a capacity of up to 95 megawatts ('MW') gross electrical output and associated development (the 'Proposed Development').

The site (the 'Site') for the Proposed Development is located on land at the South Humber Bank Power Station site, South Marsh Road, near Stallingborough, DN41 8BZ.

Full planning permission under the Town and Country Planning Act 1990 was granted by North East Lincolnshire Council, the Local Planning Authority, on 12 April 2019 (the 'Planning Permission') for an EfW facility with a capacity of up to 49.9 MW (the 'Consented Development') at the Site.

Since the Planning Permission was granted the Applicant has been assessing potential opportunities to improve the efficiency of the Consented Development and is therefore now proposing an EfW facility with a capacity of up to 95 MW. This means that it is classed as a nationally significant infrastructure project, which requires development consent under the PA 2008.

No changes are proposed to the maximum building dimensions and fuel throughput that were approved by the Planning Permission and assessed as part of the Environmental Impact Assessment that accompanied the planning application submitted to the Local Planning Authority.

The Applicant has a duty to consult the local community under Section 47 of the PA 2008 and has produced a Statement of Community Consultation ('SoCC') setting out how the consultation will be undertaken. This notice outlines when and where a copy of the SoCC can be inspected.

The SoCC may be inspected free of charge from 17 October 2019 at the venues detailed in this notice and on the project website at:

<https://www.shbenergycentre.co.uk/>

Requests for a hard copy of the SoCC should be made by:

- Post: SHBEC Consultation, c/o DWD, 6 New Bridge Street, London, EC4V 6AB
- Email: consultation@shbenergycentre.co.uk
